MOONLIGHT POST OFFICE

The First Delivery

Three envelopes landed in the wrong tray.
Find the one to send first and work out its delivery code.

Ages 8+ / Pencil and paper / Fold the answer underneath before playing

Envelope A	Envelope B	Envelope C
Star stamp	Crescent moon stamp	Cloud stamp
Number 4	**Number 7**	**Number 2**

The sorting clerk's notes

1. The envelope with the crescent moon stamp goes first.
2. Add its number to the number on the envelope with the cloud stamp.

Envelope to send first

Delivery code

FOLD HERE / ANSWER BELOW

Send envelope B first. Its crescent moon stamp gives you 7.
The cloud stamp is on envelope C. Add 7 + 2 for a delivery code of 9.
